**REQUEST TO WITHDRAW ERRONEOUS OFFICE ACTION
AND TO ISSUE A NEW OFFICE ACTION**

Sir:

The present Request is being filed to confirm in writing Applicant's telephone request to the Examiner to withdraw the erroneous Office Action of September 28, 2005, which did not take into account two Preliminary Amendments that were filed, and to issue a new Office Action based on the currently pending claim set. The Examiner agreed to do so, but asked Applicant to file the present written Request.

In particular, on September 28, 2005, an Office Action was issued that indicates that Claims 1-27 are pending. Unfortunately, however, this Office Action did not take into account Applicant's Preliminary Amendment that was filed concurrent with the present application on January 24, 2002, and Applicant's second Preliminary Amendment that was filed on March 5, 2002. Based on these Preliminary Amendments, Claims 1-5 and 28-60 are pending. These two Preliminary Amendments are included in the electronic file wrapper, and on the PAIR system, so that they were properly received and processed by the U.S. Patent and Trademark Office.

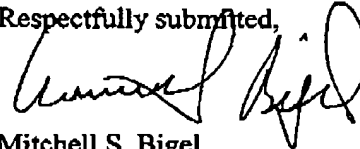

On November 22, 2005, the undersigned contacted Examiner Tran and pointed out this inadvertent error. The Examiner agreed to void the Office Action of September 28, 2005, to examine the pending claims, and to issue a new Office Action. However, as of February 1, 2006, a new Office Action has not been forthcoming.

Accordingly, the undersigned again contacted Examiner Tran on February 1, 2006. Examiner Tran asked Applicant to file the present Request, in order to provide a written record and trigger a new Office Action. The above constitutes a complete summary of the two telephone conferences with the Examiner pursuant to MPEP §713.04.

In view of the above, Applicant hereby requests the Examiner to withdraw the Office Action of September 28, 2005, to examine pending Claims 1-5 and 28-60 and to issue a new Office Action and/or a Notice of Allowance.

Respectfully submitted,
